

# 2023 READ-A-THON

## Read-a-thon Numbers:

Thanks to all River Park students, families, teachers, and community who made the 2023 Read-a-thon a HUGE success!

We are excited to announce that we had record setting reading participation!

We also surpassed our two fundraising goals raising over \$42,000!

Our fundraising total earns two school-wide prizes for all students.

Prize #1: Movie & Popcorn Party!

Prize #2: Exclusive (and interactive!) performance by

North Carolina Youth Tap Ensemble!

As a reminder, the funds raised from Read-a-thon account for over 70% of the PTGO operating budget. These funds allow us to support our students and school by funding curriculums (like Flocabulary, Reflex Math, PebbleGo, and Spanish materials), assisting with grade-level field trip funds, providing for teacher appreciation events, supporting school-wide clubs (like Robotics & Girls on the Run), and so much more!

**\*\*Thanks to our angel donors, all students will receive a Read-a-thon Prize Sticker. If your student earned additional prizes you should see a half sheet attached with those details. Prize packs will be distributed on December 1st. For questions email: riverparkptgo@gmail.com**
