# 2024 READ-A-THON

## Read-a-thon by the Numbers:

A BIG Thank You to all River Park students, families, teachers, and community who made the 2024 Read-a-thon a success!

This year we had record setting school-wide participation and set a new record for total minutes read - 137,324 minutes in just 12 days is amazing. While we didn't quite meet our push goal of \$40,000 we got incredibly close and will be able to fund many budget items with the funds raised!

As a reminder, the funds raised from Read-a-thon account for over 70% of the PTGO operating budget. These funds allow us to support our students and school by funding several curriculums, assisting with grade-level field trip funds, providing for teacher appreciation events, supporting school-wide clubs, and providing "big ticket" items like Interactive Promethean White Boards!

Also, we'd like to send a special thank you to The Town Scoop and Carolina Tiger Rescue who graciously donated prizes for the 2024 Read-a-thon.

**\*\*If your student earned Read-a-thon prizes you should see a half sheet attached with those details. Prize packs will be distributed on November 15. For questions email: riverparkptgo@gmail.com**
